

Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 12 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Cold, windy and showery.

This Evening and Tonight:

Outbreaks of rain, heavy at times with a risk of thunder, moving eastwards across most parts, with some snow on northern hills. Windy with coastal gales in the south and west and some squally gusts.

Saturday:

Windy again with sunny spells and showers, often heavy with hail and a risk of thunder. Feeling cold in strong and gusty winds.

Outlook for Sunday to Tuesday:

Continuing changeable with rain or showers for many, but also some dry weather with sunny spells. Strong winds will ease and it will gradually become milder in the west.
